## ACKNOWLEDGEMENT

We would like to express our deepest sense of gratitude to our project guide, **Er. Khalid Hussain, Assistant Professor, Department of Computer Science & Engineering, University of Kashmir, North Campus**, for his invaluable guidance, constant encouragement, and unwavering support throughout the development of this project. His expert advice, constructive feedback, and continuous motivation played a vital role in the successful completion of **Smart Hire**. His dedication to academic excellence and innovative thinking has greatly enriched our knowledge and strengthened our technical and problem-solving abilities.

We also extend our heartfelt gratitude to all the faculty members and staff of the Department of Computer Science & Engineering for their valuable support, encouragement, and guidance throughout our undergraduate studies. Their continuous inspiration and assistance have contributed significantly to our academic and personal growth.
